

Windsor. Aug. 25th 1847.

Dear Sir I enclose you an application from Mr. Halliell. I have just been off for the present as I am not sure that his examination is either necessary or desirable.

Mr. Hunter is I think an elderly gentleman who did lately examine the documents at Mr. House. I do not know what he has written before or since, but I recollect that some of his doubts founded on

minutiae of the shape of
letters, were removed by
enquiries & comparison
with 'Specs. of the supposed
date.

Very respectfully

Edw. Allen

J. P. Collier Esq.
